

An Informative Full-day Seminar:

Health Issues in the Healthcare Industry

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

2 Why You Need This Seminar . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 What You'll Learn . . .

This seminar is designed specifically for persons employed in the Healthcare field (including EMS). Program content will include HAZCOM - Michigan Right To Know, the Bloodborne Infectious Diseases Standard, Hepatitis B & C, HIV/AIDS, Tuberculosis, and Respiratory Protection. Students will learn how to anticipate, recognize, evaluate and control seemingly invisible hazards.
